Nursing Care

At Saltwood Care Centre, we have established an excellent reputation for our nursing care facilities.

We have a dedicated team of highly qualified care staff who are on hand 24 hours a day to provide nursing and personal care. We tailor the care we provide to the individual needs of each and every one of our residents.

Family and friends will always be made welcome, and are encouraged to visit, whether to stay for a meal or just spend time together.

Residential Care

Saltwood Care Centre offers residential care in well-furnished rooms and comfortable, attractive communal areas both inside and outside.

We recognise that our residents require varying levels of support and we are able to tailor the care we provide to the individual needs of each and every one of our residents.

A varied programme of leisure activities is available and there are opportunities to enjoy a busy social calendar.

Saltwood Care Centre

Saltwood Care Centre is a large, spacious building located on Tanners Hill, Hythe which is just a short walk to Hythe High Street. Originally built over 100 years ago as a convalescent home for London Transport staff, the building has been refurbished and extended to now provide 66 single bedrooms. There are two lounges, which overlook the landscaped gardens and offer stunning views out to sea.

Our Ethos

At Saltwood Care Centre, we are passionate about the service we provide and caring for our residents in later life.

Our ethos is to promote a relaxing atmosphere of care and support which both encourages and enables our residents to live as fulfilled, interesting and independent a lifestyle as possible.

From the friendly faces you encounter as you walk through the door to the tastefully decorated accommodation, the delicious meals on offer and the warm and welcoming atmosphere. The aim is always to provide a comfortable and desirable home from home.

Infection Control

Saltwood Care Centre recognises its responsibilities and clearly communicates the safe working practices required for infection prevention and control to all staff.

Saltwood Care Centre is committed to minimising the risk of infection to our home by ensuring good standards of basic hygiene and applying universal infection control procedures.

Saltwood Care Centre achieves this through a robust risk assessment process, implementation of effective controls and the provision of PPE, appropriate training and equipment to all staff and visitors.

Our Facilities

- ✓ Comfortable rooms with TV
- ✓ Nurse Call System
- ✓ Choice of tastefully decorated and comfortable communal areas
- ✓ Quality furnishing and decor throughout the home
- ✓ Wi-Fi available throughout the home
- ✓ Comprehensive selection of moving and handling equipment
- ✓ Profiling beds with safety rails are available whenever required
- ✓ Wide range of pressure relieving mattresses and cushions
- ✓ Bath and shower facilities suitable for all residents' needs
- ✓ Large well furnished Verandah overlooking the landscaped gardens, offering stunning sea views

Activities

We encourage residents at the home to fulfil their potential and lead active lives.

We have a dedicated Activities Coordinator who ensures that each resident can participate in activities tailored to them or as part of a group, daily.

Aside from the daily programme, we have weekly events from external groups, e.g. singers.

The ethos of the home is that every moment has the potential for a resident to be stimulated and engaged in fulfilling their social needs.

“Excellent care, room and facilities at Saltwood Care Centre. The staff are friendly and approachable at any time of the day, no request was too much for anyone.”

Location

We are located within a short drive of the M20 (junction 11) with easy access to the centre of Hythe and bus routes with links to Folkestone, Canterbury and Romney Marsh. The nearest mainline stations are at Sandling and Folkestone with Ashford International station and Eurotunnel ten minute away.
